ECOSYS M3660idn SERIES

EFFICIENCY, VERSALITY AND PERFORMANCE, IN ONE COMPACT FOOTPRINT

The fast, user-friendly **ECOSYS M3660idn Series** of advanced black & white multifunctional printers (MFPs) leverages proven Kyocera technology to simplify the workday. With sleek ergonomic style and robust feature set, these impressive multi-taskers deliver intuitive Print, Copy, Color Scan and Fax efficiency. Ideal for any size business, as a desktop or departmental hub, these MFPs are engineered to excel.

SMART DESIGN.
SEAMLESS WORKFLOW.

With exceptional throughput speed, up to 62 ppm, and striking print quality up to Fine 1200 dpi, these reliable, intelligent A4 (up to 8.5" x 14") MFPs effortlessly handle the workload. Time is money, so the standard high-speed Dual Scan Document Processor (DSDP)* scans up to 100 two-sided originals in a single pass, at speeds up to 102 ipm. Add to that a 600-sheet paper supply, expandable to 2,600 sheets, and integrated manual stapler option, for smooth job turnaround – from start to finish.

*Standard on ECOSYS M3660idn and ECOSYS M3655idn models only.

TABLET-LIKE DISPLAY.
INTUITIVE OPERATION.

The customizable, full color 7" touch screen display allows for instant access to frequently-used functions by organizing icons in an intuitive layout. This tiltable panel also includes a Help menu and magnification feature to further improve usability and accessibility. Hard and soft key numeric keypads are standard features.

SUSTAINABILITY.
THE ECOSYS ADVANTAGE.

The ECOSYS M3660idn Series complies with ENERGY STAR®, a program within the U.S. Environmental Protection Agency that establishes energy conservation guidelines. To minimize carbon footprint, and to lower total cost of ownership, Kyocera proudly offers high-yield consumables, programmable Energy Saver functions and low Typical Electrical Consumption (TEC) values. Always working in harmony with the environment, Kyocera's ECO footPRINT™ Toner Recycling Program transforms 100 percent of every recycled cartridge into useful objects.

STAY CONNECTED.
GO MOBILE.

Kyocera's versatile suite of mobile solutions brings wireless print, scan and send convenience to on-the-go employees. Simple and seamless, tap into anytime, anywhere productivity with KYOCERA Mobile Print™, Google Cloud Print™, KYOCERA MyPanel and Mopria® Print Services. With the addition of optional IB-36, the ECOSYS M3660idn Series also supports Apple AirPrint®, Wireless LAN and Wi-Fi Direct.

PROACTIVE, REAL-TIME FLEET MONITORING.

Optimize device uptime and reduce costs with KYOCERA Fleet Services (KFS), a cloud-based remote monitoring solution that offers visibility into device status, counter activity, supply levels, usage trends, and much more. Proactive fleet management is easy with KFS reports, service alerts, and metrics. With KFS, your entire document infrastructure is optimized to better meet unique and evolving workflow needs.

WORKFLOW CUSTOMIZATION.
OPTIMIZED PERFORMANCE.

Kyocera's extensive portfolio of customizable business applications enables ECOSYS M3660idn Series users to further leverage information – how, when and where they need it. From mobile and cloud to cost control and security solutions, KYOCERA Business Applications automate workflows; users accomplish more, in less time. Designed for Kyocera's innovative HyPAS software platform, these robust applications fully integrate with Kyocera MFPs. The result is immediate and measurable business process improvement.

ENHANCE SECURITY.
MITIGATE RISKS. REDUCE COSTS.

To prevent unauthorized access to valuable data and device resources, take a comprehensive approach. Restrict device access via a password or by using the ID Card Authentication Kit option. Erase latent HDD data with the easy-to-implement Data Security Kit option (Common Criteria ISO/IEC 15408/ IEEE 2600.1-certified). Control and secure document workflow with KYOCERA Net Manager (KNM), a server-based application designed to protect confidential data and manage document output and related printing costs. Physically secure the device using the integrated slot for a Kensington Lock.

FOUR MODELS. UNLIMITED POSSIBILITIES.

With all-in-one versatility, intuitive operation and multi-level security, the ECOSYS M3660idn Series of MFPs are the gateways to process automation.

	ECOSYS M3660idn	ECOSYS M3655idn	ECOSYS M3645idn	ECOSYS M3145idn
Functions	Print / Copy / Color Scan / Fax			Print / Copy / Color Scan
Speed (Letter)	62 ppm	57 ppm	47 ppm	
Display Panel	7" Color Touch Screen Interface (TSI)			
Print Resolution (Max.)	Fine 1200 x 1200 dpi (Enhanced Resolution)			
Standard Interface	10/100/1000BaseTX, 1 Hi-Speed USB 2.0. 1 Hi-Speed USB 2.0 Host, 1 Expansion Slot			
Optional Interface	Wireless LAN IB-36 (Apple AirPrint® and Wi-Fi Direct) and IB-51, Dual Gigabit NIC IB-50			
Memory (Std. / Max.)	1 GB / 3 GB			
Hard Drive (Opt.)	32 GB (HD-6) / 128 GB (HD-7)			
Document Processor Type / Capacity	Standard Dual Scan Document Processor (DSDP) / 100 Sheets		Reverse Automatic Document Processor (RADF) / 75 Sheets	
Paper Capacity (Std. / Max.)	600 Sheets (500 + 100 MPT) / 2,600 Sheets			
Paper Size (Min. / Max.)	5.5" x 8.5" / 8.5" x 14"			
Duplex (Two-Sided) Output	Standard			
HyPAS Capable	Yes			
Mobile Print Capability	Google Cloud Print™, KYOCERA Mobile Print™, KYOCERA Mobile Print for Students, KYOCERA MyPanel, Mopria® Print Services, Apple AirPrint®*			
Wireless LAN, Wi-Fi Direct	Optional			
Kensington Lock Compatibility	Standard			
KYOCERA Fleet Services (KFS) Ready	Standard			
KYOCERA Net Manager (KNM) Ready	Standard			
Adjustable Stand	Optional			
Max. Monthly Volume (Pages)	275,000	250,000	150,000 Pages	

*Requires optional IB-36
